Meldown on Everest
Why the World's Highest Peak Is Out of Control

The Things You Carry

Not only did you flood our inbox with love letters, sonnets, and odes to your most prized possessions, but you also agreed to send your precious belongings to us to be photographed. Here's the best of the best.

20. CAMELBAK ROGUE HYDRATION PACK

A little discoloration over the years hasn't fazed Jersey City's Brendan Dugan: "You were blue and gray new. Now your blue is turning greenish and your gray is turning brownish. You've hosted everything from water to Adirondack antifreeze (Gatorade and whiskey). You've been filthy, crusty, and moldy. I scrub your bladder. pipe-clean your tube, and soak your valves in rubbing alcohol. My wife has begged me to replace you, but I can't." \$65: camelbak.com
