National Get Outdoors Day (June 8)

Proper hydration is essential to enjoying a sunny afternoon out-doors. CamelBak's eddy glass water bottle can help you quench your thirst while you're out and about. The reusable, dishwashersafe bottle is designed for one-handed use with a silicone sleeve and thumb tab, plus a straw for increased water flow into your system. A shielded vent helps keep dirt out and water in. Sleeves are available in aqua, purple, lime and charcoal. \$25. (800-767-8725; camelbak.com)
